

GETTING TO KNOW YOU

Normally what we'd do every dissection is to ask what your special interest is / what you like to get out of this course.

Since we want to keep this even personal, we'd like to invite you to share the following and reply via email (info@thirzahendriks.com) topic: Dissection Interests.

1. What country you are from?

2. Do you intend to watch live or via replay?

3. Is this your first dissection? If not, please share some background

4. What is your background with horses? (horse owner, professional etc.)

*5. What would you like to get out of this dissection?
(so special areas of interest or just everything)?*

Try to keep it as short and powerful as possible (we love to get to know you, but we can't read stories of multiple pages)

We will collect the answers and jump in during the dissection on appropriate times. So, for example if you are really into fascia we will shout 'fascia people this is for you' and then show and explain.
